AMENDMENT & REQUEST FOR RECONSIDERATION

Assistant Commissioner of Patents
Washington, D.C. 20231

March 11, 2003

Sir:

In response to the Official Action of December 11, 2002, please reconsider the application in light of the following remarks and attached declaration. However, should there be any deficiencies or need for an extension, applicant hereby petitions for any necessary extension and authorizes the Director to charge applicant's charge account 50-2069.

These amendments are being presented to the Office in the new, revised format now permitted for claims, specifications and drawings.

Included herein are amendments to the claims, a substitute specification with corrections, a substitute abstract with correction, and remarks to said corrections and amendments.
